BERGERON LAND DEVELOPMENT HIRES RAYMOND NEL AS DIRECTOR OF SAFETY AND HEALTH

Fort Lauderdale, Fla. – Bergeron Land Development has announced that it has hired Raymond Nel as its Director of Safety and Health. In his role, Nel is responsible for setting and reviewing health and safety guidelines, planning, implementing, and coordinating safety programs in order to minimize on-site accidents and injuries.

“At Bergeron, safety is a top priority,” said Operations Director Chad Widup. “So far in 2016, we have trained 80 employees in 10-hour and 30-hour OSHA certifications. This empowers our employee to monitor the worksite and office surroundings for unsafe conditions and to stop work to prevent accidents. Hiring Raymond as our Safety Director will help us remain passionately focused on safety.”
