Re: Recommendation Letter

To Whom It May Concern:

Re: Bergeron Emergency Services, Inc.

To Whom It May Concern:

In October 2005, the Town of Southwest Ranches was at the forefront of Hurricane Wilma as it crossed the Florida peninsula and entered Broward County. Southwest Ranches is adjacent to the everglades at the storms point of entry.

The amount of debris generated was tremendous. Bergeron Emergency Services provided hurricane debris removal services to the Town for several months. Their professionalism, diligence and response to the Town's every concern was truly appreciated.

The Town has a contract in place with Bergeron for future debris removal which is the best endorsement.

Sincerely,

Lee J. Rickles
Administrative Services Director
