Re: Top Dog Industries LLC

The Ohio Casualty Insurance Company, a Liberty Mutual Group company, is the surety of Top Dog Industries LLC.

As their surety, we entertain a work program up to \$500,000 per project with an aggregate capacity up to \$500,000. This is not to be construed as a limit by any means as consideration would certainly be given to a higher program should circumstances warrant. The Ohio Casualty Insurance Company has a current A.M. Best Rating of A (Excellent) with a Financial Size of XV (\$2 Billion or Greater).

This program of course is subject to the usual underwriting review, including the continued financial strength of our contractor, additional work awarded subsequent hereto, mutually acceptable contract documents including a copy of the contract, bond forms, evidence of adequate financing when deemed appropriate, and all other usual and customary underwriting considerations employed by any surety. We assume no liability to third parties, or to you, by issuance of this letter.

The Ohio Casualty Insurance Company has an underwriting limitation of \$187,920,000. The Ohio Casualty Insurance Company has an A.M. Best Rating of A with a Financial Size of XV.

Should you have any questions, please do not hesitate contacting me.

Sincerely,

A handwritten signature in blue ink that reads "C. R. Mueller".
